The Greene City Council met in special session on Tuesday, November 9, 2021 at 5:00 p.m. at the Greene Community Center with William Christensen presiding. Council members present were Rod Fesenmeyer, Marilyn Folkers, Marnie Schmidt, Ed Corwin and Al Zweck. Also joining via Zoom were Heather Prendergast and Jennifer Steere.

Motion by Schmidt/Corwin to approve the agenda. Roll call, all ayes. MC

The council discussed sales of lots in the Greene Heights First Addition area with the city attorney and the realtor. Motion by Schmidt/Zweck to instruct the realtor to advise prospective buyers that the city is interested in building one house per lot. Roll call, all ayes. MC. The City's goals are to provide lots for homes lost to flooding, offer lots for families that are working with old and new businesses in the area, drawing more people to our community and providing more property taxes and utility revenues for the city. It was also agreed that the lots are a good size for building single family homes and the prices are very reasonable.

Motion by Folkers/Corwin to adjourn at 5:24 p.m.

William Christensen, Mayor
